## SPACIOUS 3 BEDROOM - SEA VIEW

Mareterra presents a series of residential spaces, each with unique character, set within a collection of buildings that rise in scale from east to west. These begin with the striking shoreline and hillside villas, and end with the elegant form of Le Renzo.

Conceived by Renzo Piano Building Workshop, *Le Renzo* takes the form of a fragmented vessel, inspired by the elements around it, playing with light, air, and water to create a building that celebrates Monaco's place at the heart of Mediterranean life.
