## VILLA "THE ELEVEN"

Only 10 minutes from Saint-Tropez, with a total area of 1,000 m2 including 11 bedrooms and 11 bathrooms (one main villa and two outbuildings, occupancy up to 22 people) overlooking the sea and the estate, private heated pool, pool house, jacuzzi, gym, massage room, large private garden, covered parking, professional kitchen with cold room, 24-hour security system, BVLGARI welcome samples.

Each of the estate's villas benefits from extensive private gardens and prestigious interiors, combined with all the high-end amenities one would expect from a luxury establishment. The discreet and refined service is provided daily by a qualified staff of housekeepers, butlers, security guards, gardeners, chefs and a concierge service for a tailor-made stay.

The decoration fits perfectly into the history and spirit of the estate, dating from 1880, combining modernity and Provencal charm. A rich architectural past highlighted in the attention to detail and the choice of noble and natural materials.
