RENOVATED STUDIO SEA VIEW & F1

Monaco Ville is the oldest district of the principality, which is also commonly known as the "Rock of Monaco" or even, locally, "the Rock". It brings together most of the country's political institutions: the Prince's Palace, the town hall, the government, the National Council (Parliament of Monaco), the municipal council and the courts.

Pleasant studio completely renovated with quality materials and furnished with a lot of ingenuity. Each space has been optimized and offers remarkable comfort.

The kitchen is fully equipped and has a washing machine and dining table built into bespoke cupboards.

A beautiful terrace allows you to enjoy the most exceptional view of the Principality. Located in front of the building, above the ramparts, the exterior offers a splendid view of Port Hercule and the F1 circuit.
